

# Partnership for Young London

## Theory of Change

### VISION

Young People's  
Right to Well Being  
is Recognised and  
Fulfilled

### Aims

Better Connection  
between Policy, Practice  
and Resourcing

High Quality Services in  
London Delivered in a  
Coordinated Manner

### OUTCOMES

Increased  
Understanding of  
Need

Improved Partnership  
Working

Improved Skills Leading  
to More Effective  
Delivery and  
Enhanced Impact

Increased Awareness  
of Issues and  
Improved  
Collaboration on  
Policy

### CONNECTING

### DEVELOPING

### INFLUENCING

### ACTIVITIES

Weekly and Monthly  
Updates

Social Media

Networking Events and  
Roundtables

Blogs Profiling Best  
Practice

Attendance at Meetings  
and Forums

Group Workshops and  
Training

Targeted Support

Specialist Resources

Intelligence Gathering

Production of Research  
and Reports

Campaigning

Building Alliances

### ASSUMPTIONS

Networking Alone Will Lead  
to Joined Up Working

Organisations have the  
Capacity and Appetite for  
Collaboration

Skilling up the Workforce will  
Improve Practice and  
Influence the Direction of  
Management Activities

Best Practice isn't Being  
Shared

Partnership for Young  
London is the Best Platform  
to Build and Drive  
Partnerships Forward
